DEDIE A LA ROYNE.

DE RECHEF ET POVR LA TROISIESME FOIS AVGMENTEZ, outre le reseau premier & le point couppé & lacis, de plusieurs beaux & differens portrais de reseau de point cõté, auec le nombre des mailles, chose non encor veue ni inuentée.

A PARIS,
Par Iean le Clerc le ieune, ruë Chartiere, au Chef Sainct Denis, pres le college de Coqueret.

Auec priuilege du Roy.
1587.

MVSEVM BRITAN NICVM

Peintre à fin que ton art imite la Nature
Au tableau de ce Roy dont l'honneur touche aux Cieux,
Pein ſur ſon chef Pallas, ſur ſes leures Mercure,
Mars deſſus ſon viſage, & l'amour dans ſes yeux.

ADVERTISSEMENT AV LECTEVR PAR LE SEIGNEVR Federic de Vinçiolo.

IE croy que tu n'ignores point (ami Lecteur) quel grand & penible labeur i'ay peu prendre, à cy deuant depaindre & metre en lumiere, grande quantité d'excellens patrons d'ouurages contenus en ce present liure, lesquelz pour equitablement aproprier la chose, ont esté dediez à la Maiesté de la Royne. Et toutesfois bien q̃ i'aye consommé vne longue espace de temps, à l'inuẽtion de cet œuure, & à recercher & subtilliser soigneusemẽt tous les points de chacun portrait, si est ce, qu'estãt deüement certioré de l'vtillité & proffit que i'ay aporté en ce faisant à plusieurs, q̃ par mesme moiẽ ont pris singulier plaisir à imiter lesdits portrais, Il m'a semblé qu'encores ie n'auoy rien fait, si d'abondant ie ne te faisois part, d'vne autre nouuelle bande d'ouurages, laquelle ie t'auoy promise des la premiere impression de ce liure: A ceste cause pour ne te manquer de promesse, & subuenir aux doléances de quelques Dames, qui se sõt plaintes que ie ne m'estoy amusé à leur dépaindre du reseau assez beau à leur fantasie, i'ay bien voulu pour la troisiesme fois, inuenter & mettre deuant tes yeux, plusieurs nouueaux & differẽs portrais de reseau de point cõté, q̃ i'ay cousus & attachez à la fin de mes premieres figures, comme tu pourras veoir en les particullarisant: au dessoubz desquelz pour plus grande & facille intelligẽce, & te relleuer de peine, i'ay mis le nombre & la quantité, des mailles, que chacun portrait peult auoir & contenir. Au demeurant, ie t'asseure que ie ne pẽse y auoir rien oublié de mon pouuoir, pour te les rendre & representer beaux & agreables à l'œil. Te priant que s'il sen treuue quelqu'vn, qui ne soit peult estre si beau que tu le desires, ne cõdemner pour cela mon œuure, ni la bonne volunté que ie porte à la nation Françoise à laquelle ie prie Dieu estre en tout temps secourable.

Trois Dieux furent parreins du troiſieme Héry,
Iuppiter, Mars, Phebus : cette perle Lorraine
Vne triple Déeſſe eut pour triple marreine,
Palas, Venus, la grace au chef toujours fleury.

A LA ROYNE.

MADAME, celuy qui peut recouurer quelque choſe nouuelle des pays eſtranges s'eſtime bien heureux d'en faire vn preſent à quelque grand perſonnage, ſçachant qu'en cela il le gratifie d'auantage que ſ'il luy donnoit quelque choſe commune, encor qu'elle fuſt de grand prix & valeur. Ainſi ayant recouuré de l'Italie quelques rares & ſinguliers patrons & ouurages de l'ingerie, & en ayant inuenté quelques vns, ſelon mon petit ſçauoir, i'ay penſé, puis que ces choſes là appartiennent principalement aux Dames, que ie ne ferois parauanture mal de m'aduancer & m'enhardir les preſenter à voſtre Majeſté, tant à fin qu'elle y prenne quelque contentement, que pour le deſir que i'ay que chacun congnoiſſe que ſi ces patrons & pourtraicts ameinent quelque profit & vtilité à la France (comme l'on m'aſſeure qu'ils feront veu que quelques vns moins parfaicts, & plus rudement ébauchez ont ſeruy & profité cy deuant) elle vous en doit principalemen eſtre tenue, pource que ie les ay faits pour voſtre regard, & à fin d'en contenter voſtre œil, tant gracieux & debonnaire, que volontiers il verra & l'œuure & l'ouurier qui ne deſire rien plus que de faire choſe qui luy ſoit agreable, & ſouz l'eſperance que vous prẽdrez en gré ces inuentions, que ie m'attens vous augmenter en bref, Dieu aydant, de pluſieurs autres differens patrons & pourtraits, ie prie Dieu,

Madame vous donner heureuſe & longue vie, & l'accompliſſement de voz bons deſirs, Eſcrit ce dernier iour de May. 1587.

Voſtre tres-humble & treſ-obeïſſant ſeruiteur
& ſubiect, Le Clerc.

AVX DAMES ET DAMOISELLES

Sonnet.

L'Vn s'efforce à gaigner le cœur des grãds Seigneurs
Pour posseder en fin vne exquise richesse,
L'autre aspire aux estats, pour monter en alteſſe,
Et l'autre, par la guerre alléche les honneurs.

Quand à moy, seulement pour chasser mes langueurs,
Ie me sen satisfaict de viure en petiteſſe,
Et de faire si bien, qu'aux Dames ie delaiſſe,
Vn grand contentement en mes graues labeurs.

Prenez doncques en gré (mes Dames) ie vous prie,
Ces pourtrais ouuragez lesquels ie vous dedie,
Pour tromper vos ennuis, & l'esprit employer.

En ceste nouueauté, pourrez beaucoup apprendre,
Et maistresses en fin en ceſt œuure vous rendre,
Le trauail est plaisant: Si grand est le loyer.

Morir assidouamente per
virtu, non morirè.
